

STERILE  
**STERILE**  
ALCOHOL

### QUALITY STANDARDS

FG Clean Wipes is a pioneer in the manufacturing of wipes for cleanrooms. Quality is a prerequisite to everything we make. That means the dependability and performance of our sterile alcohol spray are unmatched.

### APPLICATIONS

- Surface cleaning
- USP <797> aseptic areas
- Use on gloved hands in sterile areas
- Critical medical device, biotechnology and pharmaceutical manufacturing areas
- Wipe downs for pass through controlled areas
- Ideally suited for use with FG Clean Wipes sterile dry wipes
- Cleaning of surfaces, such as counter tops, pass-throughs, and hoods

### BENEFITS

- Eliminates mixing and processing in-house
- Quick evaporation, leaving extremely low chemical residue
- Fully assembled, ready to use
- Economical pricing with bulk jugs
- Spray bottles provide custom engineered performance and safety
- Lot traceable

### FEATURES

- 70% USP Grade Isopropyl Alcohol
- 30% USP Purified DI Water or Water for Injection (WFI) Quality
- Alcohol blend filtered to 0.22 microns
- Each bottle is double bagged
- Pyrogen Free
- Gamma irradiated and validated to a sterility level of 10<sup>-6</sup>
- Certificate of Sterility provided with each case

### STERILE ALCOHOL ATTRIBUTES
